

It all began with an iPhone... March was when my son celebrated his 15th birthday, and I got him an iPhone. He just loved it. Who wouldn ' t?

I celebrated my birthday in July, and my wife made me very happy when she bought me an iPad.

My daughter ' s birthday was in August so I got her an iPod Touch.

My wife celebrated her birthday in September so I got her an iRon.

It was around then that the fight started..... What my wife failed to recognize (and what I remembered her of) is that the iRon can be integrated into the home network with the iWash, iCook and iClean. This inevitably activates the iNag reminder service.

I should be out of the hospital by Monday!!!
